To all our valued customers:

Please be advised that Steel Dynamics Engineered Bar Products Division fuel surcharges will be as follows, effective with shipments on Sunday, August 1, 2010:

- ❖ Truck freight will change to 17% of the rate.
- ❖ Rail freight will change to \$ 0.24/route mile.

We will continue to monitor fuel costs closely for any necessary adjustments in the future.

Sincerely,

Patrick McGuine

Materials and Transportation Manager
