

June 29, 2010

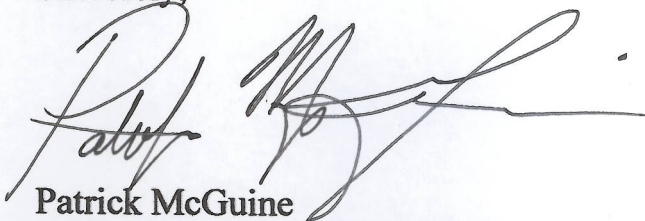

To all our valued customers:

Please be advised that Steel Dynamics Engineered Bar Products Division fuel surcharges will be as follows, effective with shipments on Thursday, July 1, 2010:

- ❖ Truck freight will remain 18% of the rate.
- ❖ Rail freight will remain \$ 0.27/route mile.

We will continue to monitor fuel costs closely for any necessary adjustments in the future.

Sincerely,

Patrick McGuine  
Materials and Transportation Manager
