

February 26, 2010

To all our valued customers:

Please be advised that Steel Dynamics Engineered Bar Products Division fuel surcharges will be as follows, effective with shipments on Monday, March 1, 2010:

- ❖ Truck freight will remain at 16% of the rate.
- ❖ Rail freight will change to \$ 0.22/route mile.

We will continue to monitor fuel costs closely for any necessary adjustments in the future.

Sincerely,

Patrick McGuine
Materials and Transportation Manager
